## **Graham M. Rhodes**

Vice President  
UK & Ireland and Bulk Gases Europe

Graham M. Rhodes joined Air Products in 1984 as part of the company's Career Development Programme and subsequently completed three finance assignments in the United Kingdom, Belgium and Germany. In 1985 Mr. Rhodes became a financial analysis manager in Germany and in 1987 was named UK financial analysis manager. He was appointed Central Europe controller in 1990; European Packaged Gases controller in 1993; Chemical and Process Industries, North America controller in 1995; and European controller in 1997. In 2003 Mr. Rhodes was appointed vice president, UK & Ireland and Bulk Gases Europe.

Mr. Rhodes received a chemical engineering degree from Loughborough University in 1984, and is a member of the Chartered Institute of Management Accountants.
