## **Wilbur W. Mok**

Vice President  
North America Tonnage Gases

Wilbur W. Mok was appointed vice president, North America Tonnage Gases, in October 2009. In this position, he is responsible for leading, directing and growing the North America Tonnage Gases business for existing pipeline, franchise and on-site offerings and business relationships.

Mr. Mok joined Air Products in 1986 as a financial analyst in the International Controllership organization and subsequently held various engineering and commercial positions. In 1992 he was transferred to Hong Kong where he was named regional manager of On-sites Development. When Mr. Mok returned to the U.S. in 1995, he was appointed commercial manager in the Electronics Division, and in 1997 he was named manager of Asia Business Development. Mr. Mok again relocated to Hong Kong where he was named general manager, Southern China, in 1999 and vice president and general manager, China, in 2000. He took on the added responsibility of the company's Energy and Process Industries business in Asia in 2003. Mr. Mok was appointed president, Air Products China, in 2005 and Asia region president in 2006.

Mr. Mok was born in 1961 in Hong Kong. He received a B.S. degree in electrical engineering from Northwestern University in 1984 and an M.B.A. in finance from the University of Chicago in 1986.
