M. Scott Crocco

Vice President and Corporate Controller

M. Scott Crocco was appointed vice president and corporate controller in October 2007. In this position, he is chief accounting officer for the company.

Mr. Crocco joined Air Products in 1990 as a participant in the company's Career Development Program. He subsequently held a variety of financial analysis and financial management positions in the Chemicals Group, Gases Group, Corporate Treasury and Corporate Controllership. In 1998 Mr. Crocco led a re-engineering initiative to improve company-wide management reporting, and in 1999 he led the financial analysis efforts around the attempted acquisition of BOC. He became manager of financial analysis and planning in Corporate Treasury in 2000; controller for the Electronics Division in 2001; and director of Corporate Decision Support in 2003. Mr. Crocco was named corporate controller in 2006 prior to assuming his current position.

Mr. Crocco was born in 1964 in Silver Spring, Md. He received a B.S. degree in electrical engineering from Bucknell University in 1986 and an M.B.A. from Cornell in 1990.

Prior to joining Air Products, Mr. Crocco worked for General Electric Company in a variety of manufacturing positions including purchasing, production, shop supervision, and quality control and is a graduate of GE's Manufacturing Management Program (MMP).
