## **Caroline Lloyd**

Vice President and General Manager  
Healthcare, Europe

Caroline Lloyd was appointed vice president and general manager, Healthcare, Europe in October 2007. She is responsible for driving the overall strategy for Air Products' homecare business across seven European countries. Ms. Lloyd joined Air Products in 2002 as vice president and general counsel, Europe.

Prior to joining Air Products, Ms. Lloyd headed the corporate and commercial legal teams in the BOC Group head office and worked extensively on projects across Europe and Asia, including Poland, Russia, Benelux, Thailand, the Philippines and Indonesia. She also spent more than six years working on corporate and commercial issues—including antitrust, joint ventures, and mergers and acquisitions—for the international law firm Simmons&Simmons in London and Europe.

With a degree in law from Southampton University, Ms. Lloyd attended the College of Law in Guildford, U.K. before qualifying as a lawyer in 1987. She also has followed executive programs at INSEAD and Columbia University.
