Diane L. Sheridan

Vice President and
Chief Risk Officer

Diane L. Sheridan was named vice president and chief risk officer for Air Products in January 2005. In this position, she is responsible for developing risk evaluation and quantification, measurements, and coordinating compliance activities with global laws and regulations. This position covers the compliance areas of commerce, foreign trade, finance, employment, competition, information management, security, and environmental, health and safety.

Ms. Sheridan joined Air Products in 1984 as an attorney in the company's Law department. She was named director of the Corporate Real Estate department in 1992, director of Real Estate and Property Management in 1995, and director of gases and equipment supply for the Energy and Materials division in 1997. Ms. Sheridan was appointed vice president, Energy and Materials in 1999, in which she was responsible for the company's total purchased goods and services globally.

Ms. Sheridan was born in Albany, N.Y. She received a B.A. degree from the State University of New York at Albany and a J.D. degree from St. John's University School of Law.
