

Air Products Direct (APDirect®) ←

Air Products' goal is to provide our customers with tools and information to make it easier and more convenient to do business with us. The APDirect Customer Portal provides you quick and easy access to vital business information.

What is the APDirect Customer Portal?

More than just an ordering site, The APDirect Customer Portal is at your fingertips providing you with business tools needed to efficiently and effectively transact with Air Products.

How can it help me?

The APDirect Customer Portal is your gateway to the world of e-business at Air Products. Customers can revise contact information. We also make your job easier by allowing you to download important business documents such as invoices, delivery notes, MSDSs, and Certificates of Analysis.

Features:

- Online ordering
- Access to invoices, delivery notes, Certificates of Analysis and Safety Data Sheets
- Inventory management and tank readings
- Answers to Frequently Asked Questions

Benefits:

- Secure online access
- Quick access to useful information
- Analyze product usage
- View information for all ship-to locations
- Reduce errors by managing the ordering process yourself
- Enables efficient transaction processing

Other Online Services:

- E-Billing
- E-Payment
- B2B Connections (e.g. EDI, EDIFACT, etc.)
