

Air Products' REACH Product List – Functional Additives

Air Products can confirm that the products listed below meet the requirements of the EU's REACH (Registration, Evaluation and Authorization of Chemicals) regulation and that their components have been successfully pre-registered by Air Products or another actor further up the supply chain, or are supplied in volumes of less than one metric tonne per year.

If you cannot find your product or have a question about REACH, please contact our Product Information Center in the U.S. (PRODINFO@airproducts.com) or send an inquiry to REACH@airproducts.com.

More information about our products and REACH can be found on our website at www.AirProducts.com.
