

# Our Total Safety Philosophy

## We believe that:

- **nothing is more important than safety** ...  
not production, not sales, not profits;
- **all accidents and injuries are preventable** ...  
not inevitable;
- **safety is a management responsibility** ...  
and safety can be managed;
- **safety is an individual responsibility** ...  
and a condition of employment;
- **safety is a way of life** ...  
around the clock;
- **every task must be performed with a concern for safety** ...  
for ourselves, our fellow employees,  
our contractors, our visitors, our customers  
and the communities in which we operate.

Safety <sup>#1</sup>
