Go with a global leader
Secure and reliable helium supply from Air Products

Helium Production

Air Products has the most diverse helium source mix

Air Products makes more liquid helium than it buys

Helium Applications

Analytical
Medical
Welding
Aerospace
Diving Gases
Fiber optics
Aviation
Electronics
Metallurgy
Lifting/flight
Breathing atmospheres
MRI/magnetic resonance imaging
Leak detection

Supply modes

Cylinders/cylinder packs
Dewars (30-500 liters)
Bulk helium tube trailer
Liquid helium containers

The largest and most efficient fleet in the industry.
Highest performing storage tanks with lowest heat leak and longest hold times available.

Helium Supply.
Strengthened.
